SCHOOL of CONTINUING & PROFESSIONAL STUDIES

Community Scholar Parent/Guardian Permission to Enroll Form

Congratulations on your child's high school recommendation to register for a University course through the Community Scholar Program to pursue advanced study. It is recommended that you and your student engage in discussions regarding course expectations and responsibilities and we request that you review the following important relevant information.

1. High school students are not automatically approved to take courses through the Community Scholar Program. Student credential files, which include transcripts and recommendation letters, must be received and approved by the Program's Academic Director prior to registration.
2. High school students registering in a University credit course through the Community Scholar Program must comply with all University rules and regulations, including the Honor System, conduct code, as well as course requirements and procedures cited in the Undergraduate Record and in the Community Scholar Program Handbook.
3. The University of Virginia will create a record in the name of your student. The grade he or she earns becomes a permanent academic record. Therefore, a University academic transcript for this course will follow your student in all future higher education endeavors (see www.virginia.edu/registrar for more information).
4. High school students enrolling in University courses through the Community Scholar Program have an obligation to conduct themselves in a manner that is civil and compatible with the University's function as an educational institution. In a community of learning, willful disruption of the educational process, destruction of property, interference with the orderly process of the University, or with the rights of others cannot be tolerated. In order to fulfill its functions for imparting and gaining knowledge, the University has the authority and responsibility to maintain order within the University. The Dean of the School of Continuing and Professional Studies has the authority to exclude those who are disruptive of the educational process, including those whose behavior would present a threat to the health and safety of others.

Parent/Guardian Endorsement

My signature below signifies that my child, _____, has my permission to register in the upcoming semester class entitled _____ (course number) _____ at the University of Virginia. I support this educational endeavor and believe that my child is academically and socially prepared to assume the responsibilities of engaging in University coursework.

Furthermore, we have read and discussed the responsibilities and expectations outlined above and understand the policies and regulations governing Community Scholars at the University of Virginia.
