

FACTS AT A GLANCE

Academic Year 2015-2016

The School of Continuing and Professional Studies is positioned to provide continuous learning, both online and face-to-face, as required by the evolving needs of the 21st Century. It is focused on meeting the challenges of data literacy, technical competence, global readiness, and creative agility. As one might expect from Thomas Jefferson's University, the School combines the academic and analytical insights of the arts and sciences with forward-looking applied knowledge.
